

Message from the Principal...

Dear Parents & Carers,

We have certainly been fortunate with the glorious weather in the past few weeks. It has meant we have been able to hold both our track and field events carnivals in perfect conditions. Congratulations to every student who participated in the carnivals, doing their personal best and of course earning points for their house. I would also like to thank the parents, students and staff who were so efficient in clearing the oval last Friday in preparation for the Westpac helicopter landing. Our best wishes go to the gentleman who was injured for a speedy recovery. Unfortunately this meant the carnival was not concluded on Friday as planned. The final rotation of events will be held this afternoon. Watch next week's newsletter for the winning house.

It has been a while since I have given you some questions you could ask your child about their day at school. Time for another instalment! Try these conversation starters this week.

- * Tell me something that made you laugh today.
- * Rate your day on a scale of 1 - 10.
- * What did you do that made you feel proud?
- * Tell me two top things from today.

SAVE THE DATE - Wednesday 19 June is the date for our next parent workshop on Visible Learning. There will be two sessions again. More details will follow. Make sure you have marked the date on your calendar!

Have a great week!

Soccer Report

Last Monday the Boys Soccer team played their second round match against Forster Public School. The Nabiac team got off to a good start and scored the first three goals and were leading 3-0 at half time. Knowing that Forster were a quality side we knew that we could not become complacent and to their credit the Forster team fought back and scored the next 3 goals. On full time we were drawn 3 – 3, so we had to go into extra time. We scored in the first half of extra time and managed through sensible play to prevent them from scoring. The final score was 4 – 3 Nabiac's way. To beat a large school like Forster is always a difficult task. The Nabiac team kept cool heads and did not panic as the other team equalised with them. I would like to thank David Weller for his coaching skills and to all the parents and relatives that came to support the team. Our next game is this Thursday against Hallidays Point. I am looking forward to another exciting match.

With thanks Mr Dawson
