Parent Workshops will be held this Wednesday, 19th June.

Session 1 1:45 – 2:45pm

Session 2 5:00 – 6:00pm

Come along to find out about learning goals, success criteria and learner dispositions and why these things are important to your children.

Message from the Principal...

Dear Parents & Carers,

We are really looking forward to our Visible Learning parent workshops this Wednesday 19 June. There are two sessions – 1:45 – 2:45 and 5:00 – 6:00. If you have not returned your RSVP please do so tomorrow or just ring the office to let us know which session you will be attending. We look forward to lots of parents joining us in the Library.

Congratulations to our finalists for Stage 2 public speaking and to Max Arandale & Will Kauter on being the winners. It is not easy to speak in front of a large audience, especially for our younger students. Well done to all of you!

I was interested to receive some feedback from parents about the questions I have suggested for you to ask your children in previous newsletters. Try these ones and see what sort of response you get. I hope they are good conversation starters!

What kind of person were you today?

Who did you play with today?

What are you looking forward to in class tomorrow?

What made you laugh today?

Have a great week!

Narelle Kessey

Visible Learning

Attached to last week's newsletter was a note for our Visible Learning Parent Workshop. This workshop will be held this week on Wednesday, 19th June with two sessions for parents and carers. If you would like to attend please return the bottom section of the note to school by Monday 17th June (tomorrow morning, at the latest). We look forward to another great workshop with a high number of parent/carer participation.

Indigenous Tennis

All of our Aboriginal students in Years 2 to 6 were sent home with a note earlier this term about wonderful opportunity to attend a Free Indigenous Tennis Day. The 'Tennis Come and Try' day is a great way to have fun and give tennis a real go. The day includes a talk by Evonne Goolagong Cawley, lots of fun tennis activities and coaching. There is no cost to this event. Tennis racquets and lunch will be provided. Please bring recess, water bottle, hat and sunscreen. Parents must be able to transport their own child to and from this event. Miss Brace will be attending the day.

World of Maths

Permission notes to attend a maths workshop held at school on Monday 24th June are due today. If you have not yet paid please bring the note and money into the office before Wednesday. We have extended the deadline to Wednesday as we do not want any student's to miss out on this opportunity. This workshop is the only incursion held this year.

World of Maths offers an ideal opportunity for students to see how maths is applied to everyday life situations and to explore maths in a hands-on environment.

This highly engaging experience reinforces the mathematics taught in the classroom and shows that maths is everywhere and it can be fun! The cost of the incursion is \$6.50 payable in cash, cheque or eftpos at the school office or online through our website, by Wednesday 19th June, 9am. We would like to see all our students attend this valuable workshop.

Aussie Bush Camp

Dear Parents and Carers of Year 5 & 6 students,

Camp payments must be finalised by Friday 30th August. From today, counting school holidays, that allows parents and carers 11 weeks to pay off the camp. After paying the \$50 deposit, by paying \$25 per week the camp will be paid for in time (including school holidays). The students and staff leave from the school on Monday the 9th September in the morning and return in the afternoon of Wednesday 11th September.

HEALTHY CANTEEN CHOICES

All schools are encouraged to work towards a canteen menu that meets the *NSW Healthy School Canteen Strategy*, by having more healthy 'Everyday' food options available on the canteen menu.

Ordering at the canteen doesn't come without challenges: there's the matter of working out what items to choose and what items to avoid and whether your child actually will eat what is ordered.

Whether you like to let your child order at the canteen once a week, once a fortnight or only on special occasions, it is a good idea to talk with your child about the healthiest options. You also may like to help your child choose the healthiest food and drinks items off the canteen menu.

Healthy 'Everyday' options on your schools canteen menu may include:

Cold Food:

- Sandwiches, rolls and wraps with everyday fillings
- Fresh salads, sushi or rice paper rolls

Hot Food:

- Fresh soups with wholemeal bread rolls
- Spaghetti bolognaise

Snacks:

- Vegetable sticks, or fruit salad
- Reduced fat cheese with wholemeal crackers

Drinks:

- Water
- Reduced fat milk
