Message from the Principal...

Dear Parents & Carers,

Here we are, half way through Term 3 already! This week two important events - the Mathematics workshop for parents and our Father's Day celebrations.

The Mathematics workshop, will be held on Wednesday 28 August in the Library. As with the other workshops we have had this year there will be two sessions, 1:45pm - 2:45pm & 5:00pm - 6:00pm. If you have not sent in your RSVP it is not too late! I have seen some of the activities planned for the session and they are both informative and fun. Please come along and you will leave with lots of ideas to support your children with Mathematics and a bag full of goodies to help you make Mathematics fun at home.

Father's Day celebrations start with the Father's Day stall tomorrow. Many thanks to our hard working P&C for sourcing and wrapping the gifts for the children. This will be followed by our BBQ breakfast and assembly on Friday. I look forward to catching up with all who are able to attend.

Have a great week

Narelle Kessey

Father's Day Stall

The Father's day stall will be held on Tuesday morning. All classes will visit the stall giving students the opportunity to purchase a gift for their dad. Please send your child with a bag to bring their purchase home in. Gifts range from 50c to \$10. If there are any leftover gifts the stall will be open on Wednesday morning for those students who missed out on Tuesday. Thank you so very much to the P&C for purchasing and wrapping all those wonderful presents for our dads and for running the stall and providing such a great service to our students.

Core Value.

This week our core value is *Respect*.

"I can set a good example."

"Anyone can be a father, but it takes someone special to be a dad, and that's why I call you dad, because you are so special to me. You taught me the game and you taught me how to play it right."

WADE BOGGS

Zero Waste Challenge

*This week our **zero waste challenge** is to switch from single use take-away cups to reusable cups.*

If we all switched to reusable cups we would divert 500 BILLION take-away cups from landfill every year!

This week's special is Honey mustard chicken and pasta \$4.00. This delicious homemade special will be available to order all week.

PSSA Touch Football Knockout

Boys

Friday the 9th of August was not a perfect day for a knockout touch football match. The wind was howling off the snow-capped mountains and across Jack Neale Oval at Taree. Our boys braved the conditions and put up an almighty effort against Taree West Public School. Unfortunately, we were beaten in the end by 8 tries to 3. This eliminates us from the knockout competition but has prepared us for the Annual Touch Football Gala day later in the year.

Thanks again to all the parents and supporters who also rugged up in their 'winter woolies' to cheer on the team.

Mr Jackson.

Girls

The Nabitac Open girls played their round 3 Knockout touch football game on Monday against Wingham Public School. On another cold winter day and on a rock hard, dusty field, our girls put up a gallant effort against a well drilled opposition. We went close to scoring on several occasions but were unable to get across the line. Wingham won the game 6 nil and will move on to round 4 of the competition.

Thanks for the parents who were able to transport at such short notice.

Mr Jackson.

PSSA Soccer Gala Day

Last Friday, our boys soccer team participated in the PSSA Zone Soccer Gala Day at Wingham. Our school was placed into 1st Division from our results in the knockout earlier this year. We were the smallest school in the pool by far, but, this didn't worry our boys in the slightest and we went on to finish equal first overall. There was a big cheer for the birthday boy, Lachlan Laws, especially after he handed out cupcakes to celebrate the win.

Thank you to all the parents and supporters for your help transporting students and equipment to the event.

Mr Jackson
