Families a Safe and Happy Holiday*

Message from the Principal ...

Dear Parents and Carers

Welcome to Week 10! It is hard to believe we will be heading into Term 4 soon.

Last week we had a very exciting little visitor come into our playground. 1/2B were in the right place at the right time and watched while he worked out his way back over the fence and up the big Eucalyptus tree. There were many smiles and cheers!

Last week we held another 2023 Kindergarten transition visit. Children participated in fun, hands on math games and activities. We have a few more special days in Term 4 along with our Orientation Day. Next term we start looking at structures for 2023. If you are enrolling a student in our school or know someone who is or if you have a child currently enrolled in grades K-5 and you are moving please contact the front office.

This Thursday is a public holiday, showing respect for Queen Elizabeth II as a National Day of mourning.

On Friday we are celebrating Grandparents' Day. Grandparents are welcome to join us from 11.30am for an assembly, yard games, tours of the classrooms, picnic lunch and the walkathon. Money for the walkathon is due to the office by Fri 14 October 2022. We thank you in advance for your support.

We wish all of our students and families a safe and relaxing holiday. We look forward to seeing you on Monday 10 October 2022.

Have a lovely week.
Lorelle O'Brien

Grandparents' Day and Walkathon

Grandparent's Day celebration assembly will be held this Friday 23 September at 11.30am, last day of school this term. Grandparents will be invited to stay for a picnic lunch with children.

Our Walkathon will then be held on the same day at 1.30pm following the celebrations.

A permission note and a sponsorship sheet has been sent home. Please return your sponsorship money by Friday 14 October 2022

A Grandparent's Day limited menu has been sent home. You can order by way of the Spriggy app or send the money and order form in to the office.

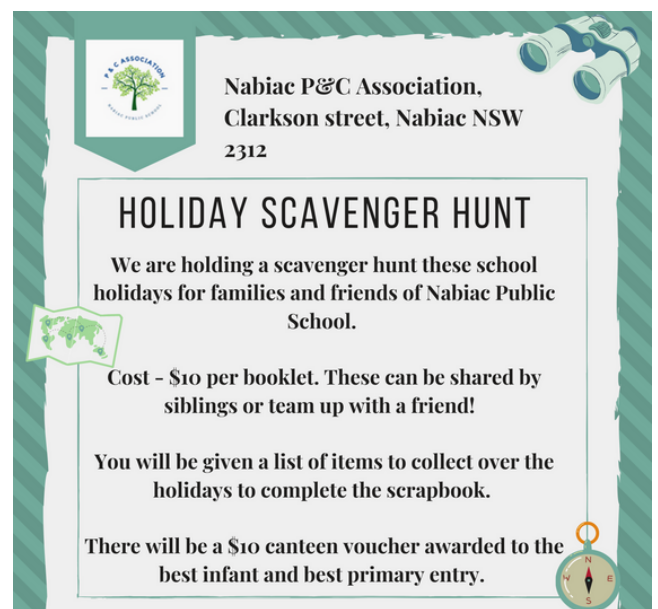

ASSEMBLY

Our next assembly is the Grandparents' assembly this Friday 23 September at 11.30.

The next gold award assembly is in Term 4 on Wednesday 19 October at 2.15pm with Class 1/2D running the assembly and performing an item.

All are welcome to attend. Please check in using the QR code.

NABIPATCH NEWS

We had a lovely surprise visit from our preschoolers last week. They loved the garden and helped us pick radishes and find strawberries.

3M did a quick water this morning and Jack made a new froggy friend!

All our seedlings are growing well, and the fruit trees are covered in blossoms.

Our hard-working gardeners are watering, weeding and preparing new beds for succulents.

SENTRAL PARENT PORTAL

Experience the new Sentral for Parents App

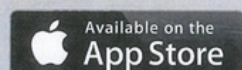

We've listened, and reinvented.

Our new school engagement app has been developed to help you stay connected and informed about your child's education.

Discover the possibilities and download the app today.

To get started visit:

www.sentral.com.au/our-products/parents

This term we sent out information on how to download the Sentral Parent Portal App and we provided parents with a unique password to use when registering for this App.

We now have quite a number of parents now registered and we encourage those who haven't registered yet to jump online and register as we will be communicating via this App in the near future. If there are any questions or you require assistance registering, please call the office and we will guide you through the App.

Great ideas are always worth the wait

What can you expect?

You'll find numerous smart features, which are designed to match your school's current and future educational needs including:

Simple registration and login for parents

- Parents will be able to log in with credentials from the parent portal. For new users without a parent-portal account, they can easily create one in the app to log in.

Streamlined smart features tailored to parents devices

- Student absence notification. Parents can take action immediately within the app, to mark an absence and provide explanations/reasons etc.
- Newsfeed items are actionable and listed based on the parents' preferences.
- Seamless opening of PDF files and attachments.

A systematic newsfeed. Relevant, reliable, actionable

- Parents can now filter information and see prioritised and relevant items highlighted.

Messaging feature

- It's never been so easy for parents and teachers to stay connected with Sentral's new in-app messaging feature. Messages will be divided in sequence, based on conversation subject-matter, and parents will be able to save time by responding directly within the app.
- Uploading documents and viewing PDF attachments has also been simplified.

A modern and user-centric interface, tailored to your school

- Parents will experience simple and efficient navigation, and a streamlined design to match the individual school's identity.

Discover the possibilities and download the app today.

What is the Common Approach?

The Common Approach is developed in and for the Australian context by ARACY. It is a research based, prevention focused way of working to help you have quality conversations with children, young people and their families about all aspects of their wellbeing.

The Common Approach has been shown to:

- Increase ability to make earlier identification of the needs and strengths of children, young people and families.
- Help practitioners and families more quickly identify a fuller range of useful services and empowering next steps.
- Increase awareness of working in a preventative child focused child-centered way
- Improve relationships between families and services in ways that benefit children.

Who is the Common Approach for?

The Common Approach is useful to anyone who interacts with children, young people and their families, and those who manage staff or policy work in this setting. This includes, educators, health and medical staff, child protection staff, researchers and policy makers.
