## Message from the Principal ...

Dear Parents and Carers,

Well done to our Year 3 and 5 students who participated in the NAPLAN assessment last week. NAPLAN is not about passing or failing, but about assessing learning progress. Here is some information about changes to the NAPLAN reporting which was taken from the ACARA media release:

\* The numerical NAPLAN bands and the national minimum standard will be replaced by the following 4 levels of achievement:

- Exceeding
- Strong
- Developing
- Needs additional support.

\* The standard for proficiency is set at a challenging but reasonable level.

\* If your child is in the Strong or Exceeding category, it means they have demonstrated proficiency and that their literacy or numeracy skills are where they should be at this stage of their schooling.

\* If your child has not yet achieved proficiency, then they will either be in the Developing category or the Needs additional support category.

Tomorrow is Harmony Day. Students are invited to wear out of uniform and are encouraged to wear orange, yellow or red if they have it. Teachers will be explaining the importance of Harmony Day whilst completing some activities during the day.

At the end of this term teachers will be inviting you to attend three way interviews, which consists of you, your child and the teacher. This is an opportunity for you to hear how your child is progressing at an earlier time in the year, and allow your child and child's teacher to share their goals and work with you. You will be able to ask questions and see how your child is progressing at an earlier time in the year. Notes will be sent home shortly. We hope you will be able to make it, but understand not everyone can. If you are unable to attend the three way interview, you will have an option to request a phone call.

I hope you have a lovely week!

Lorelle O'Brien

## POSITIVE BEHAVIOUR LEARNING

Nabiac Public School uses the Positive Behaviour for Learning (PBL) Program. The school's code of behaviour is underpinned by the expectations of:

Respect

Responsibility

Care

These values are displayed in each classroom and various areas throughout the school. The expectations are explicitly taught to students across the different school settings to ensure children remain safe and supported at school.

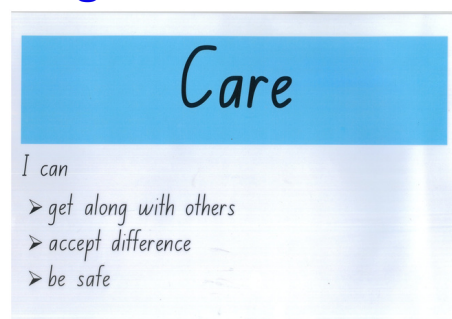

This week, classes are discussing and practising the core value of care which, when followed, will make our school safe and happy.

Actions and behaviours underpinned by our core values have recently been updated. Students are encouraged to demonstrate care at Nabiac Public School by:

Get along with others

Accept difference

Be safe
