Message from the Principal...

Dear Parents and Carers,

Welcome to Week 2!

This Thursday we will be hosting a special Mother's Day breakfast and assembly. Mother's Day breakfast will be available from 8:15am in the hall. We will then be holding an assembly from 9:15am. Students have been busy writing all about their loved ones. I have thoroughly enjoyed reading the pieces of writing. We hope you have a lovely time.

Every Monday we announce the class that has the highest attendance rate from the previous week. This class gets a special award to display and our Clarky mascot. A post is also placed on our Facebook page showcasing the winning class and the whole school attendance rate. Last term KBA and 1C dominated the best weekly attendance, with the award going between the two classes. The aim is for all students to have 95% (or higher) attendance at school. Well done KBA and 1C!

This Friday is the zone cross country. Good luck to all students attending and remember to have fun!

Have a lovely week.

Lorelle O'Brien

Mother's Day Stall

The P&C will be holding their annual Mother's Day stall on Tuesday 7/5.

The stall will also be held again on Wednesday 8/5 during lunch time only.

The gifts this year are in \$5 or \$10 Bundle packs.

We encourage all children to bring a bag to pop their purchase in.

Sporting Events

This is a very busy time of year for sporting events. If your child is participating in a sporting event you will receive a note home or on School Bytes. Could you please ensure these notes are returned promptly along with any money required. Sporting event dates may be postponed due to wet weather. You will be notified of any date changes as the information comes to hand.

CONGRATULATIONS!

Well done 1C who
had the best
attendance for
Week 1.
Attendance rate
98.33%

Reminder

Please ensure all your child's belongings are clearly labelled with their name. Lost property tubs are located on the stage under the cola.

Every Day Matters

When it comes to attending school, every day matters

If your child misses as little as **1 day per fortnight**, they will miss **4 weeks of school per year**, which adds up to over **1 year missed over their school life**.

Make sure your child doesn't miss out on the important things like:

- Learning
- Strengthening friendships
- Build skills through fun

POSITIVE

BEHAVIOUR FOR LEARNING

Nabiac Public School uses the Positive Behaviour for Learning (PBL) Program. The school's code of behaviour is underpinned by the expectations of:

Respect

Responsibility

Care

Respect: *I can set a good example by wearing my full school uniform.*

PBL

With the weather starting to cool down, it is a good time to remember your school jumper/jacket. School jumpers/jackets are part of our full school uniform. Wearing your full school uniform with pride, sets a great example for all students at Nabiac Public School.

Australian
Early
Development
Census

From May 2024, our school, along with thousands of others across the country, will participate in the Australian Early Development Census (AEDC).

The AEDC is a teacher-completed census (similar to a questionnaire) which provides a comprehensive picture of how children have developed by the time they start their first year of full-time school.

The AEDC is an Australian Government Initiative and is completed nationally every three years.

Children don't miss any class time while the AEDC is completed, and parents/carers don't need to supply schools with any new information.

The data collected through the AEDC is used by schools, communities and governments to better understand children and families' needs, and identify the services, resources and support they need.

AEDC data is reported at a school, community, state/territory and national level. AEDC results for individual children are not reported and the AEDC is not used as an individual diagnostic tool.

Some teachers have found that completing the AEDC made them more aware of the needs of individual children and their class, and that the data was useful for planning for transitions to Year 1 and developing programs.

Participation in the AEDC is voluntary, however the AEDC relies on all schools with children in their first year of full-time school participating in the collection. Parents/carers don't need to take any action unless they choose not to include their children in the census.
